

Parish Over \$7000 In College Drive

On Wednesday evening the different committees in connection with the Sacred Heart College drive in the Parish of Bathurst met at the Eudist Seminary. It was found that a number of the committees had already gone over their districts and had very satisfactory results. Some of the committees however were unable to complete their work but so far as they have gone they found everybody ready and willing to help the college along as much as their means would allow them. Many have paid the amount of their subscription at once while others have agreed to pay over a term of one, two, and three years. Already over \$7,000.00 has been subscribed which looks as though the committee will easily surpass the \$10,000.00 mark which they set out to attain. The period of the campaign for this parish was extended to Aug. 31st. and during that time an effort will be made to call on every person in the parish. Your subscription is needed to help this good work along so please be ready to receive the committee men when they call or if they forget you don't forget them.
